

RFP # EPSD.CTC.2018.001
Addendum #1
September 4, 2018

Questions and Answers

1. Is this bid a set in place only, where you as the customer will be responsible for final connections, or a full installation where I as the bidder will be responsible for final connections?

This is full service; delivery, set in in place and final connections for all appliances.

2. What is the exact address that the equipment will be delivered to and installed?

The address of the East Providence Career and Technical Center is 1998 Pawtucket Avenue, East Providence, RI 02914.

3. Please advise if final connections or only uncrating and setting in place are required?

This is full service; delivery, set in in place and final connections for all appliances

4. Please advise if removal of existing equipment should be included in quote

Yes, company awarded the bid will be responsible for the proper removal/disposal of old equipment
