EVALUATION PROCESS

~~The highest weighting of selection will go to the lowest qualified and responsible bid. The district will review all bids for completeness, review vendor certifications and references from prior work. Proposals found to be incomplete or not accurate may be rejected as non-responsive; and proposals not deemed to be competitive vendors/solutions not qualified will be rejected.~~

~~The East Providence School District may choose to ask clarification questions or request additional information. All responses will be required in writing; incomplete or unclear responses will result in rejection of proposal.~~

~~**East Providence School District reserves the right to amend the vendor selection process.**~~

The district contemplates award to the lowest priced, technically acceptable vendor proposal. To determine whether proposals are technically acceptable, the district will determine whether each proposal is complete; whether it is responsive to all requirements established herein; whether the proposing vendor maintains and has submitted documentation of applicable certifications from Manufacturer(s) selected; and whether references related to past performance are favorable. With regard to references, vendors are free to submit references they wish the East Providence School District to consider. However, the East Providence School District reserves the right to investigate references for any and all projects on which the vendor has worked in the last three (3) years. Proposals not deemed technically acceptable may be eliminated from consideration

The East Providence School District may choose to seek clarifications from vendors with regard to their proposals. All responses will be provided in writing, and incomplete or unclear responses may result in a proposal being deemed technically unacceptable. However, the East Providence School District reserves the right to make a selection without requesting clarification. Additionally, the East Providence School District may not necessarily seek clarifications from all vendors submitting proposals.

Any contract awarded under this RFP is subject to funding, and approval by the East Providence School Committee. The East Providence School District reserves the right to make no awards under this RFP.
