

# RFP# EPSD.TECH.2018.0006 - Addendum A

## Question and Answer Responses - 6-12-2018

The following questions were submitted in reference to the Classroom Display/Projection RFP# EPSD.TECH.2018.0006.

**Question 1:** *Do you need for us to mount the touch panels / led tvs?*

**Answer 1:** No, we are using district staff and electrician for installation

**Question 2:** *Do you need AV Wiring and Wall Plates? HDMI, VGA 3.5MM, USB for Touch ? (for touch panels and projectors?)*

**Answer 2:** Please feel free to provide recommended accessories/services. They must all be itemized with details as bundled/custom parts will not be accepted.

**Question 3:** *Do you need for us to provide Teacher Training for the Touch Panels?*

**Answer 3:** Please feel free to provide recommended accessories/services. They must all be itemized with details as bundled/custom parts will not be accepted.

**Question 4:** In regards to the IWB Projectors Ultra Short Throw - Do you need us to provide dry erase boards for these to project onto or do the classroom already have these?

**Answer 4:** Please feel free to provide recommended accessories/services. They must all be itemized with details as bundled/custom parts will not be accepted.

**Question 5:** Are you providing electrical on the wall for the tvs and projectors? Or do you want us to do wall clips with 25FT direct connect power cords?

**Answer 5:** No, we are using district staff and electrician for installation

**Question 6:** The 2 page double sided limitation applies to the entire packet including the pricing or just the vendor overview?

**Answer 6:** 2 page limit is for vendor line card and background. This is a hardware only purchase so short and concise quotations/proposals are appreciated.
