Dear Parents/Guardians,

The East Providence School Department is writing to inform you about the FREE Child Outreach Screening Program that is both federally and state mandated. Much like your well visits with the pediatrician, the School departments are required to offer developmental screenings to all 3, 4, and 5 year old children that are Rhode Island residents. Parents/Guardians are encouraged to have their children screened each year, due to varied developmental requirements for each age level.

The FREE screening consists of a brief assessment in five areas of development:

- Vision Screening,
- Hearing Screening,
- General Development—such as fine/gross motor skills, memory, etc.
- Speech and Language skills
- Social and Emotional Development

The screening is not a comprehensive, standardized evaluation, but a look at how your children are doing in comparison to their peers. The information gained is used to provide you with the reassurance that your children are developing as they should. All information is confidential and not shared with anyone unless you give written permission to do so.

The screeners completing the screenings are trained and are supervised by the Early Childhood Coordinator. All screeners are advised about confidentiality and have had a National Background Check.

Finally, if your child attends one of the following Early Learning Centers, you do not need to schedule an appointment. Screenings will be held at the following locations:

Head Start
Early Learning Center of RI
Bee Hive
Oliver Day School
CCNS
Brown Play School
The Children's Workshop
The Green Crayon
Little Tykes
Oldham State PK

Trailside

Up With Children
Ocean State Montessori
Newman YMCA
Sacred Heart Day Care
Little Scholars
Teddy Bear Learning
St. Margaret's Preschool
Martin State PK

EPELP @ Oldham

If you would like to have your child screened please call 401-433-6209 to schedule an appointment.

Sincerely,

Myliisa Moon, M.A.

Early Childhood Coordinator
