Cafeteria Lunch Trays
Addendum #1

Questions and Answers

a) when does the district expect delivery of the trays? Within the 2019/2020 school year, before June 30th or After July 1, 2020 for the 2020/2021 school year.

We expect delivery of the trays as soon as possible

b) Is delivery to each school location expected or to one central location?

Delivery can be to one central location – Martin Middle School, 111 Brown Street, East Providence, RI 02914

c) Does the elementary/middle school/high school tray have 6 compartments?

Yes, elementary/middle school/high school tray has 6 compartments

d) For the Elementary/Middle/high school item, there are two trays that match the description given, one is polycarbonate, one is a co-polymer. The option of polycarbonate carries the CA Prop 65 warning against BPA. The tray that is made of co-polymer does not. Are there concerns with the BPA in the polycarbonate? Should both trays be presented in the bid?

We have no concerns with the BPA in the polycarbonate. No only present the polycarbonate pricing in the bid

e) All trays usually come in 'case pack' rather than by the each.

a. For the Pre-k item, specified at 150 each, would you prefer 4 cases of 36 (total 144) or 5 cases of 36 (180 total)

We would prefer 5 cases of 36

b. For the rest of the tray, specified at 2500 each, would you prefer 104 cases of 24 (total 2496) or 105 cases of 24 (total 2520)

We would prefer 105 cases of 24
