

Dear Parent/Guardian

We are reaching out to parents/guardians who have submitted free/reduced lunch applications this year and were denied due to excessive income.

With the current fiscal climate due to COVID-19, your financial situation may have changed to the point where you qualify for free/reduced lunch. While it will not do anything to erase any school lunch debt incurred to date – this possible qualification would help you financially for the first month of school in September.

As such, we are opening up school lunch applications for the month of June. The processing of free/reduced lunch applications will be done using the *My School Apps* online application system.

If you are interested in pursuing a free/reduced lunch application at this time, I would ask you to click on the following link https://www.myschoolapps.com/Home/DistrictRedirect/ESTPROVIDENCE_RI . Follow each prompt. The application should take no more than 10 minutes to complete.

This application will be open until June 30th.

The free/reduced lunch online application for next school year will be launched sometime in August. We will notify you via email when the application is live and ready to go. **You will need to fill out another application after August 1st for next school year.**

If you have any questions, please contact Loretta Monahan at imonahan@epschoolsri.com.
